This Handbook serves as a starting point for critical analysis and discourse about the status of women in outdoor learning environments (OLEs). Women choose to participate actively in outdoors careers, many believing the profession is a level playing field and that it offers alternatives to traditional sporting activities. They enter outdoor learning primarily on the strength of their enthusiasm for leading and teaching in natural environments and assume the field is inclusive, rewarding excellence regardless of age, gender, socioeconomic status, disability, or ethnicity. However, both research and collective experiences in OLEs suggest that many women feel invisible, relegated, marginalized, and undervalued. In response to this marginalization, this Handbook celebrates the richness of knowledge and practices of women practitioners in OLEs. Women scholars and practitioners from numerous

fields, such as experiential outdoor education, adventure education, adventure therapy, and gender studies, explore the implications of their research and practice using poignant examples within their own disciplines. These insights emerge from similar life experiences as women and outdoor leaders in the 1970s to the present. Social inequalities still abound in OLEs, and the Handbook ensures that the contributions of women are highlighted as well as the work that needs to be done to make these spaces inclusive. Global in perspective and capacious in content, this one-stop volume is an indispensable reference resource for a diverse range of academics, including students and researchers in the fields of education, psychology, sociology, gender studies, geography, and environment studies, as well as the many outdoors fields.

Marie Kondo will help you declutter your life with her new major Netflix series Organise the World with Marie Kondo Spark Joy is an in-depth, line illustrated, room-by-room guide to decluttering and organising your home, from bedrooms and kitchens to bathrooms and living rooms as well as a wide range of items in different categories, including clothes, photographs, paperwork, books, cutlery, cosmetics, shoes, bags, wallets and valuables. Charming line drawings explain how to properly organise drawers, wardrobes, cupboards and cabinets. The illustrations also show Ms Kondo's unique folding method, clearly showing how to fold anything from shirts, trousers and jackets to skirts, socks and bras. The secret to Marie Kondo's unique and simple KonMari tidying method is to focus on what you want to keep, not what you want to get rid of. Ask yourself if something "sparks joy" and suddenly it becomes so much easier to understand if you really need it in your home and your life. When you surround yourself with things you love you will find that your whole life begins to change. Marie Kondo's first book, The Life-Changing Magic of Tidying, presents her unique tidying philosophy and introduces readers to the basics of her KonMari method. It has already transformed the homes and lives of millions of people around the world. Spark Joy is Marie Kondo's in-depth tidying masterclass, focusing on the detail of how to declutter and organise your home.

World Wrestling Entertainment fans think they know "The Heartbreak Kid." He's "The Showstopper" who pushes his high-flying abilities to the limit in the squared circle, on ladders, and in steel cages. He's the company's first "Grand Slam" champion. And of course, he's forever the guy who conspired with WWE Chairman Vince McMahon to screw Bret "Hitman" Hart out of the WWE Championship in Montreal at Survivor Series on November 9, 1997. But that's the side "HBK" has allowed you to see...until now. Heartbreak & Triumph: The Shawn Michaels Story introduces us to Michael Shawn Hickenbottom, the youngest of four children whose "really conservative upbringing" made him shy and "afraid that people wouldn't like me if I showed who I really was." But upon discovering Southwest Championship Wrestling (SWCW) on TV one Saturday night, the preteen Hickenbottom realized instantly what he wanted to become, and later would convince his father—a colonel in the U.S. Air Force—to let him pursue his dream. From there, Hickenbottom fully recounts the events that led to "Shawn Michaels's" tutelage under Mexican wrestler Jose Lothario; working matches at Mid-South Wrestling under the guidance of Terry Taylor and the Rock 'n' Roll Express's Robert Gibson & Ricky Morton; flying high with Marty Jannetty as "The Midnight Rockers" in the American Wrestling Association (AWA); and how a barroom confrontation in Buffalo almost prevented the tandem from ever joining the World Wrestling Federation. While reliving the crippling back injury that forced him to retire in his prime, Michaels credits the new loves in his life—his second wife Rebecca, his children, and his newfound faith—with giving him the strength to kick his habit, recover physically, and make a jubilant return to the ring at SummerSlam 2002. Now back on top and doing what he enjoys most, the WWE Superstar regards Heartbreak & Triumph as the perfect means "to review my life, and attempt to figure out how I became the person I am."

YES! YES! YES! Daniel Bryan is the real deal. Everyone's favorite underdog, he's proven to the world and to all of WWE that looks can be deceiving. Just ask everyone who's ever underestimated him...right before he went out and whipped the WWE Universe into a frenzy. This is Bryan's behind-the-scenes story told for the first time ever — from his beginnings as a child wanting to wrestle to his ten years on the circuit before finally making it in WWE. When his "YES!" chant becomes a full-fledged movement, his career skyrockets. This book chronicles all the hard work, values, influences, unique life choices and more leading to his watershed week at WrestleMania 30. You won't want to miss it. Yes! We're sure about this.

Ben Brooksby is a fifth-generation farmer from St Helens Plains in western Victoria. When he was younger, he struggled with anxiety and other mental health issues, as do so many others in rural communities. A simple social media post helped him to turn things around. After he shared a photo on Instagram showing himself naked in a truck full of lentils, he received a huge response, with other farmers wanting to share their own photos - and their stories. As the Naked Farmer movement grew, Ben met people from all around the country who wanted to get naked for mental health. As they got their kits off, they also opened up about their struggles. This is a heartwarming, moving and candid collection of stories of the challenges our farmers are facing, and the way these communities are banding together in response. Proudly supporting the Royal Flying Doctors Mental Health Service

Pat is one of the greatest mentors I've ever had in the world of sports-entertainment. Dwayne "The Rock" Johnson When Pat Patterson was 17 years old, he was asked to leave his home after telling his parents he was in love . . . with a man. Moving from Montreal to the United States in the 1960s, barely knowing a word of English, he was determined to succeed in the squared circle. Back when homophobia was widespread, Pat lived in the super-macho world of pro wrestling. In this fascinating and revealing memoir of revolutionary talent, pioneer, and creative savant Patterson recalls the trials and tribulations of climbing to the upper ranks of sports-entertainment — as a performer and, later, as a backstage creative force. Many in the WWE Universe know Pat Patterson as a ring legend, the prestigious first holder of WWE's Intercontinental Championship, a WWE Hall of Famer, and one of Vince McMahon's "stooges" during the Attitude Era. But Patterson is no stooge. He has long been one of Vince McMahon's trusted advisors. His impact and importance to the nascent stages of WWE are nearly comparable to that of the Chairman himself. Still active in WWE today, Pat delivers his no-holds-barred story of going from unknown to WWE luminary.

As she hears these self-proclaimed ancient spooks discussing a remarkable Shakespearian cover-up, she is propelled into a world of furtive secrecy and immense terror ...
