A comprehensive, accessible, and easy-to-understand guide to everything you need to know about real estate investing. Real estate investing is a great way to build a business or make money on the side—and you don't have to be a full-time landlord to do it. Real Estate Investing 101 walks you through everything you need to know, from raising capital to uncovering new opportunities. You'll learn the difference between purchasing traditional property and investing in funds such as REITs and interval funds—plus new types of realty investment, like crowd-funded real estate, the senior housing boom, eco-housing, and blockchain technology. With the expert advice in Real Estate Investing 101 to guide you, you can invest with confidence and generate profits.

Taxes! Boring and irritating, right? Perhaps. But if you want to succeed in real estate, your tax strategy will play a HUGE role in how fast you grow. A great tax strategy can save you thousands of dollars a year - and a bad strategy could land you in legal trouble. That's why BiggerPockets is excited to introduce its newest book, *The Book on Tax Strategies for the Savvy Real Estate Investor!* To help you deduct more, invest smarter, and pay far less to the IRS!

Learn the basics of how to flip property using a system that can lead to a successful business and financial freedom. This book takes you through the process of finding property, how much you should pay, the cost of construction and selling for a profit. Flipping requires you to follow a system, and this book introduces you to a tried and successful system of flipping.

Make real estate part of your investing strategy Do you want to get involved in real estate investing, but aren't quite sure where to start? This is your go-to resource for making sense of the subject. Written by industry experts Eric Tyson and Robert Griswold, this new edition of *Real Estate Investing For Dummies* offers timely, proven, practical, and actionable advice to overcome the challenges of the market and keep yourself one step ahead of the competition. With the help of this straightforward and time-tested information, you'll get the know-how to wisely and confidently make smart, sound, and informed real estate investing decisions that will reap big rewards. Highlights include: The Tax Reform and Jobs Act bill that took effect in 2018 The best types of investment properties for different types of investors NNN (triple nets) investments and REITs/TICs Tech applications to support property management operations and accounting A step-by-step primer for preparing to buy, identifying the property, due diligence, closing the transaction, leasing the property and ongoing operations and property management. There's no time like the present to jump into the real estate market—as first-time investors or experienced investors who want to brush up on the changes that have occurred in the market.
