goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement.

“This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify

English File?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create

a desire to
communicate. Having
created the desire,
American English File
then helps you to
develop learners'
communication skills.
One way it does this is
with a strong focus on
pronunciation. Research
shows that poor
