(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

Widely acclaimed for her powerful explorations of race, womanhood, spirituality, and mortality, poet Lucille Clifton has published thirteen volumes of poems since 1969 and has received numerous accolades for her work, including the 2000 National Book Award for Blessing the Boats. Her verse is featured in almost every anthology of contemporary poetry, and her readings draw large and enthusiastic audiences. Although Clifton's poetry is a pleasure to read, it is neither as simple nor as blithely celebratory as readers sometimes assume. The bursts of joy found in her polished, elegant lines are frequently set against a backdrop of regret and sorrow. Alternately consoling, stimulating, and emotionally devastating, Clifton's poems are unforgettable. In *Wild Blessings*, Hilary Holladay offers the first full-length study of Clifton's poetry, drawing on a broad knowledge of the American poetic tradition and African American poetry in particular. Holladay places Clifton's poems in multiple contexts -- personal, political, and literary -- as she explicates major themes and analyzes specific works: Clifton's poems about womanhood, a central concern throughout her career; her fertility poems, which are provocatively compared with Sylvia Plath's poems on the same subject; her relation to the Black Arts Movement and to other black female poets, such as Gwendolyn Brooks and Sonia Sanchez; her biblical poems; her elegies; and her poignant family history, *Generations*, an extended prose poem. In addition to a new preface written after Clifton's death in 2010, this updated edition includes an epilogue that discusses the poetry collections she published after 2004. Readers encountering Lucille Clifton's poems for the first time and those long familiar with her distinctive voice will benefit from Hilary Holladay's striking insights and her illuminating interview with the influential American poet.

30 Day Devotional book based on the bestselling song, Blessings. Over 500,000 combined units sold through CD and Digital sales in 2011.30 Daily Devotions that will guide the reader into a deeper understanding of God's mysterious use of Blessings. Chapter Titles include, What If Your Blessings Come Through Raindrops? (a signature line in the song), and He Loves Us Too Much To Give Us Lesser Things. Each chapter contains thoughts, prayers and quotes along with a journaling page for the reader to recall blessings they have seen in their own lives.

From bestselling Landmarks author Robert Macfarlane and acclaimed artist and author Jackie Morris, a beautiful collection of poems and illustrations to help readers rediscover the magic of the natural world.

Every worshipper's heart holds a song for which God eagerly listens. Are you uncertain how to turn your heart of worship into a melody? In *Songs from Heaven*, worship leader and renowned songwriter Tommy Walker reveals the inspirational and instructional process of creating worship songs that bring honor and glory to God. For seasoned songwriters and worshippers who simply have a song in their hearts, the creative process behind writing and singing will be unveiled. Discover devotional thoughts that will help you find intimacy with God and the practical techniques for putting that intimacy into words, melody, and eventually a song.

Traditional songs from the British Isles, each features guitar chord symbols and special tunings. Informative notes to each song, a discography and a bibliography.

If we are honest, we have to admit that there are many things we don't understand about God. We do not have final answers to the deep problems of life, and those who say they do are probably living in some degree of delusion. There are areas of mystery in our Christian faith that lie beyond the keenest scholarship or even the most profound spiritual exercises. For many people, these problems raise so many questions and uncertainties that faith itself becomes a struggle, and the very person and character of God are called into question. Chris Wright encourages us to face up to the limitations of our understanding and to acknowledge the pain and grief they can often cause. But at the same time, he wants us to be able to say, like the psalmist in Psalm 73: "But that's all right. God is ultimately in charge and I can trust him to put things right. Meanwhile, I will stay near to my God, make him my refuge, and go on telling of his deeds."

Lyrics and guitar chords for 1200 traditional and modern folk songs.
