applicants must have a good level of written and spoken English and demonstrate a real interest in Civil Engineering.

## Civil Engineering - Dundee & Angus College

The Royal Indian Engineering College (or RIEC) was a British college of Civil Engineering run by the India Office to train civil engineers for service in the Indian Public Works Department. It was located on the Cooper's Hill estate, near Egham, Surrey. It functioned from 1872 until 1906, when its work was transferred to India. The college was colloquially referred to as Cooper's Hill and "I.C ...
