~~Character List — CliffsNotes~~

# File Type PDF Crucible Character Analysis Chart

The Crucible is a fictionalized account of the Salem Witch trials of 1692, in which 19 innocent men and women were killed by hanging and hundreds convicted before the panic subsided. Yet while The Crucible depicts one witch-hunt, it was written during another. In the 1950s, during the first years of the Cold War, a Senator named Joseph McCarthy rose to power by whipping the nation into a terror of Communists.

Abigail Williams Character Analysis in The Crucible | SparkNotes  
Of the major characters, Abigail is the least complex. She is clearly the villain of the play, more so than Parris or Danforth: she tells lies, manipulates her friends and the entire town, and eventually sends nineteen innocent people to their deaths.

A haunting examination of groupthink and mass hysteria in a rural community The place is Salem, Massachusetts, in 1692, an enclave of rigid piety huddled on the edge of a wilderness. Its inhabitants believe unquestioningly in their own sanctity. But in Arthur Miller's edgy masterpiece, that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft—and then when those accusations multiply to consume the entire village. First produced in 1953, at a time

when America was convulsed by a new epidemic of witch-hunting, *The Crucible* brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can. "A drama of emotional power and impact" —New York Post

A literary study guide that includes summaries and commentaries.

The Salem witch hunt of 1692 is among the most infamous events in early American history; however, it was not the only such episode to occur in New England that year. *Escaping Salem* reconstructs the "other witch hunt" of 1692 that took place in Stamford, Connecticut. Concise and accessible, the book takes students on a revealing journey into the mental world of early America, shattering the stereotype of early New Englanders as quick to accuse and condemn. Drawing on eyewitness testimony, Richard Godbeer tells the story of Kate Branch, a seventeen-year-old afflicted by strange visions and given to blood-chilling wails of pain and fright. Branch accused several women of bewitching her, two of whom were put on trial for witchcraft. *Escaping Salem* takes us inside the Connecticut courtroom and into the minds of the surprisingly skeptical Stamford townspeople. Were the pain and screaming due to natural or supernatural causes? Was Branch simply faking the symptoms? And if she was indeed bewitched, why believe her specific accusations,

## File Type PDF Crucible Character Analysis Chart

since her information came from demons who might well be lying? For the judges, Godbeer shows, the trial was a legal thicket. All agreed that witches posed a real and serious threat, but proving witchcraft (an invisible crime) in court was another matter. The court in Salem had become mired in controversy over its use of dubious evidence. In an intriguing chapter, Godbeer examines Magistrate Jonathan Selleck's notes on how to determine the guilt of someone accused of witchcraft, providing an illuminating look at what constituted proof of witchcraft at the time. The stakes were high--if found guilty, the two accused women would be hanged. In the afterword, Godbeer explains how he used the trial evidence to build his narrative, offering an inside perspective on the historian's craft. Featuring maps, photos, and a selected bibliography, *Escaping Salem* is ideal for use in undergraduate U.S. survey courses. It can also be used for courses in colonial American history, culture, and religion; witchcraft in the early modern world; and crime and society in early America.

A black family is united in love and pride as they struggle to overcome poverty and harsh living conditions, in the 1959 play about an embattled Chicago family.

In this stunning coming-of-age novel, award-winner Miriam Toews balances grief and hope in the voice of a witty, beleaguered teenager whose family is shattered by fundamentalist Christianity "Half of our family, the better – looking half, is missing,"

Nomi Nickel tells us at the beginning of *A Complicated Kindness*. Left alone with her sad, peculiar father, her days are spent piecing together why her mother and sister have disappeared and contemplating her inevitable career at Happy Family Farms, a chicken slaughterhouse on the outskirts of East Village. Not the East Village in New York City where Nomi would prefer to live, but an oppressive town founded by Mennonites on the cold, flat plains of Manitoba, Canada. This darkly funny novel is the world according to the unforgettable Nomi, a bewildered and wry sixteen-year-old trapped in a town governed by fundamentalist religion and in the shattered remains of a family it destroyed. In Nomi's droll, refreshing voice, we're told the story of an eccentric, loving family that falls apart as each member lands on a collision course with the only community any of them have ever known. A work of fierce humor and tragedy by a writer who has taken the American market by storm, this searing, tender, comic testament to family love will break your heart.

An instant New York Times bestseller! "Internment sets itself apart...terrifying, thrilling and urgent."--*Entertainment Weekly* Rebellions are built on hope. Set in a horrifying near-future United States, seventeen-year-old Layla Amin and her parents are forced into an internment camp for Muslim American citizens. With the help of newly made friends also trapped within the internment camp, her boyfriend on the outside, and an unexpected alliance, Layla begins a journey to fight for freedom, leading a revolution against the camp's Director and his guards. Heart-racing and emotional, *Internment* challenges readers to fight complicit silence that exists in our

I could not put this book down' - THE SUN 'Pretty Little Liars meets The Breakfast Club' - ENTERTAINMENT WEEKLY

## File Type PDF Crucible Character Analysis Chart

A darkly satirical novel of love, revenge, and 1950s haute couture—now a major motion picture starring Kate Winslet, Judy Davis, Liam Hemsworth, and Hugo Weaving After twenty years spent mastering the art of dressmaking at couture houses in Paris, Tilly Dunnage returns to the small Australian town she was banished from as a child. She plans only to check on her ailing mother and leave. But Tilly decides to stay, and though she is still an outcast, her lush, exquisite dresses prove irresistible to the prim women of Dungatar. Through her fashion business, her friendship with Sergeant Farrat—the town ' s only policeman, who harbors an unusual passion for fabrics—and a budding romance with Teddy, the local football star whose family is almost as reviled as hers, she finds a measure of grudging acceptance. But as her dresses begin to arouse competition and envy in town, causing old resentments to surface, it becomes clear that Tilly ' s mind is set on a darker design: exacting revenge on those who wronged her, in the most spectacular fashion.
