are living in ever more turbulent times. Business decision-making has become more challenging and unpredictable than ever: we see unforeseen and often cataclysmic changes in consumer demand, both at home and in export markets; customers continue to demand more, more quickly and for less; new laws and regulations abound; competitors steal loyal customers; and, increasingly, the advice that once could be found from a 'Small Business Adviser' has been replaced by a call centre. Hand in hand with these challenges, the risks associated with

expansion, or a new strategy, have grown significantly. In the context of a small business, where a manager has not necessarily had the breadth of experience of someone in a larger organization or formal management learning, they can seem extremely daunting. This book addresses the issues confronting managers/owners of SMEs by providing practical, jargon-free advice on which a SME can create a sound platform from which to prosper. \*

Uncomplicated and jargon free to appeal to the SME director or manager who has little time to read \* Can be

# Read Book Essential Guide Business In The Performing

used as a continuous read or a source of ideas for dealing with the day-to-day problems of running and growing a small business \* Based on the practical experience of the authors with examples taken from consulting practice

In one engaging, outcome-oriented book, *The FT Essential Guide to Writing a Business Plan* gives you: The essential knowledge you need to write a winning business plan - quickly and without fuss Guidance on how to focus throughout on the plan's purpose - to win backing Samples of what a good plan looks like, so you
