remarkable summary of grievances needed no elucidation to men of that generation, it is almost meaningless to us. In but few instances do the histories covering the period lend any aid. An explanation, therefore, of the Declaration of Independence as understood by the men of the Revolution may prove of interest, especially as we are again hearing constant reference to the undying principles of that document. Passing over the philosophy of the Opening paragraph with the remark that it breathes the spirit of Locke throughout, with naught of French casuistry in it, we come immediately to the counts in the indictment against King and Parliament. They show a total of
