HomeLink® HomeLink® is the world's most widely trusted and used vehicle-based wireless control system. It conveniently and safely enables you to open and close your garage door and front gate, activate and deactivate your home's security system, and turn on or off your interior and exterior lighting, appliances and electronics.

HomeLink

Finding the Unit and Lesson Numbers. Everyday Mathematics is divided into Units, which are divided into Lessons. In the upper-left corner of the Home Link, you should see an icon like this: The Unit number is the first number you see in the icon, and the Lesson number is the second number. In this case, the student is working in Unit 5, Lesson 4. To access the help resources, you would select "Unit 5" from the list above, and then look for the row in the table labeled "Lesson 5-4."
