I don't want to be any more. I'm so
tired and I'm sick of being such a
useless waste of skin. I've been on and
off antidepressants for years and I
hate what they do to me but I know
that's the only "help" I'd get were I to
see a doctor. I spent a lot of time as an
inpatient in my teenage years and I
don't feel like I'm salvageable.

DH and I have decided our family is complete and we don't want any more kids. DH went to the docs today and asked about having the snip. Doctor told DH that 1 in 20 men experience a lifelong pain in the scrotum area after having the snip and that it would be easier for me to have the coil/injection/implant fitted.

I genuinely don ' t want to live
anymore. The title says it all... I really
just don ' t want to be alive anymore.
I ' ve struggled with anxiety for many
years and depression for the past
year. I ' m just so tired and fed up
with dealing with the stress everyday.
I had a suicide attempt this past May
followed by months of therapy.
