"If There Be Thorns" is the third installment in the Dollanganger series and, in my opinion, the weakest link of the saga. My main problem with the book is not so much the storyline, but the fact that the story is told from the perspectives of fourteen-year-old Jory (Cathy's son with Julian) and nine year-old Bart (Cathy's son with Bart Winslow).

The twisted, beloved Dollanganger legend began two generations before Corrine Foxworth locked away her children in Flowers in the Attic. The second book in a new prequel story arc, Out of the Attic explores the Dollanganger family saga by traveling back decades to when the clan’s wicked destiny first took root. Married to the handsome, wealthy Garland Foxworth following a wildfire romance and an unexpected pregnancy, young Corrine Dixon finds her life very different from how she imagined it. Often alone in the mansion of Foxworth Hall, she can practically feel the ancestors’ judgment of her as insufficient—as not a Foxworth. Stern portraits glare at her from the walls, and the servants treat her strangely. Nothing in the vast place is truly hers. Even her son, Malcolm Foxworth, born in the luxe Swan Room and instantly whisked away to a wet nurse, feels alien to her. With a husband alternately absent and possessively close, Corrine doesn’t yet realize that she’s barely scratched the surface of what lies beneath Foxworth Hall’s dark facade and the family that guards its legacies. With the fortieth anniversary celebration of Flowers in the Attic, and ten new Lifetime movies in the past five years, there has never been a better time to experience the forbidden world of V.C. Andrews.
