contemporary marketing management principles and futuristic application of marketing management theories and concepts. The core and complex issues are presented in a simplified manner providing students with a stimulating learning experience that enables critical thinking, understanding and future application. Each chapter features a chapter summary, key terms, review and discussion questions and a practice quiz. Throughout the text there are also specific teaching features to provide students and instructors with an enhanced pedagogical experience. These features include: The Manager's Corner: These sections provide real-world examples that instructors may highlight to exemplify theory or as mini-cases for discussion. Marketing in Action: These sections ask students to apply concepts and theories to actual business situations. Web Exercises: These mini sections provide students with real world issues and suggest websites for more information. In addition, the authors provide ancillary lecture notes and Solution/Instructors manual online to aid instructors in their teaching activities.
