Incorporating the latest research and international uses of
photography, Photography: A Cultural History, 4/e surveys the
history of photography in such a way that students can gauge the
medium's multifold developments and see the historical and cultural
contexts in which photographers lived and worked. Mary Marien's
comprehensive survey shows how photography has sharpened, if
not altered ...

For one or two semester courses in the History of Photography. Mary Warner Marien has constructed a richer and more kaleidoscopic account of the history of photography than has previously been available. Her comprehensive survey shows compellingly how photography has sharpened, if not altered forever, our perception of the world.

Mary Warner Marien's book is interesting and provocative, and provides a new perspective on the history of photography. Each of the eight chapters takes a timeframe of between fifteen and nearly forty years in which to examine the medium through the lenses of art, science, social science, travel, war, fashion, the mass media, and
