Chocolate Hazelnut Crepe. "Innovative, creative, and effortlessly funny." –Cooking Light Deb Perelman loves to cook. She isn't a chef or a restaurant owner—she's never even waitressed. Cooking in her tiny Manhattan kitchen was, at least at first, for special occasions—and, too often, an unnecessarily daunting venture. Deb found herself overwhelmed by the number of recipes available to her. Have you ever searched for the perfect birthday cake on Google? You'll get more than three million results. Where do you start? What if you pick a recipe that's downright bad? With the same warmth, candor, and can-do spirit her award-winning blog, Smitten Kitchen, is known for, here Deb presents more than 100 recipes—almost entirely new, plus a few favorites from the site—that guarantee delicious results every time. Gorgeously illustrated with hundreds of her beautiful color photographs, The Smitten Kitchen Cookbook is all about approachable, uncompromised home cooking. Here you'll find better uses for your favorite vegetables: asparagus blanketing a pizza; ratatouille dressing up a sandwich; cauliflower masquerading as pesto. These are recipes you'll bookmark and use so often they become your own, recipes you'll slip to a friend who wants to impress her new in-laws, and recipes with simple ingredients that yield amazing results in a minimum amount of time. Deb tells you her favorite summer cocktail; how to lose your fear of cooking for a crowd; and

Chefs Alexandra Raij and Eder Montero share more than one hundred recipes from Txikito—all inspired by the home cooking traditions of the Basque Country—that will change the way you cook in this much-anticipated and deeply personal debut. Whether it's a perfectly ripe summer tomato served with just a few slivers of onion and a drizzle of olive oil, salt cod slowly poached in oil and topped with an emulsion of its own juices, or a handful of braised leeks scattered with chopped egg, Basque cooking is about celebrating humble ingredients by cooking them to exquisite perfection. Chefs Alexandra Raij and Eder Montero are masters of this art form, and their New York City restaurant Txikito is renowned for its revelatory preparations of simple ingredients. Dishes like Salt Cod in Pil Pil sauce have fewer than five ingredients yet will astonish you with their deeply layered

textures and elegant flavors. By following Raij's careful but encouraging instructions, you can even master Squid in Its Own Ink—a rite of passage for Basque home cooks, and another dish that will amaze you with its richness and complexity. The Basque Book is a love letter: to the Basque Country, which inspired these recipes and continues to inspire top culinary minds from around the world; to ingredients high and low; and to the craft of cooking well. Read this book, make Basque food, learn to respect ingredients—and, quite simply, you will become a better cook. – Food & Wine Magazine, Editor's picks for Best of 2016

Kitchen tells the story of the life of the kitchen, through the food we eat now and the way we live, in the most important room of the house. Compendious, informative and utterly engaging, Kitchen brings us feel-good food for cooks and eaters that is comforting but always seductive, nostalgic but with a modern twist – whether express-style easy-exotic recipes for the weekday rush, leisurely slow-cook dishes for weekends and special occasions, or irresistible cakes and cookies as the Domestic Goddess rides again. It answers everyday cooking quandaries – what to give the kids for lunch, how to rustle up a meal for friends in moments, or what to do about those black bananas, wrinkled apples and bullet-hard plums – and since real cooking is so often about leftovers, here one

recipe can morph into another... from ham hocks to pea soup and pasties, from chicken to Chinatown salad. This isn't just about being thrifty but about being creative and seeing how recipes come about and evolve. As well as offering the reader a mouthwatering array of inspired new recipes – from clams with chorizo to Guinness gingerbread, from Asian braised beef to flourless chocolate lime cake, from pasta Genovese to Venetian carrot cake – Nigella rounds up her no-nonsense Kitchen Kit and Caboodle must-haves (and, crucially, what isn't needed) in the way of equipment and magical standby ingredients. But above all, she reminds the reader how much pleasure there is to be had in real food and in reclaiming the traditional rhythms of the kitchen, as she cooks to the beat of the heart of the home, creating simple, delicious recipes to make life less complicated. The expansive, lively narrative, with its rich feast of food, makes this new work a natural 21st-century successor to Nigella's classic *How To Eat*, this time with a wealth of photographs from the instructive to the glorious.

A gorgeous, full-color illustrated cookbook and personal cultural history, filled with 100 mouthwatering recipes from around the world, that celebrates the culinary traditions of strong, empowering immigrant women and the remarkable diversity that is American food. As a child of Italian immigrants, Anna Francese Gass grew up eating her mother's Calabrian cooking. But when this professional cook realized she had no clue how to make her family's beloved meatballs—a recipe that existed only in her mother's memory—Anna embarked on a project to record and preserve her mother's recipes for

generations to come. In addition to her recipes, Anna's mother shared stories from her time in Italy that her daughter had never heard before, intriguing tales that whetted Anna's appetite to learn more. Reaching out to her friends whose mothers were also immigrants, Anna began cooking with dozens of women who were eager to share their unique memories and the foods of their homelands. In Heirloom Kitchen, Anna brings together the stories and dishes of forty-five strong, exceptional women, all immigrants to the United States, whose heirloom recipes have helped shape the landscape of American food. Organized by region, the 100 tantalizing recipes include: Magda's Pork Adobo from the Phillippines Shari's Fersenjoon, a walnut and pomegranate stew, from Iran Tina's dumplings from Northern China Anna's mother's Calabrian Meatballs from Southern Italy In addition to the dishes, these women share their recollections of coming to America, stories of hardship and happiness that illuminate the power of food—how cooking became a comfort and a respite in a new land for these women, as well as a tether to their native cultural identities. Accented with 175 photographs, including food shots, old family photographs, and ephemera of the cooks' first years in America—such as Soon Sun's recipe book pristinely handwritten in Korean or Bea's cherished silver pitcher, a final gift from her own mother before leaving Serbia—Heirloom Kitchen is a testament to empowerment and

strength, perseverance and inclusivity, and a warm and inspiring reminder that the story of immigrant food is, at its core, a story of American food.

The well-known actor and seasoned gourmet presents a charming guide to home cooking that focuses on four centuries of traditional American cuisine. The richly illustrated hardcover volume offers a wide range of easy-to-make recipes, including many regional favorites.
