### Roses Garden Centre and Wholesale Nursery

Roses are one of the largest groups of plants available to gardeners, so choosing specific varieties can seem like a daunting prospect. Whether you are looking for a rose to climb a shady wall, roses for a hedge, or a rose to train up a pillar, our short guide will set you on the right path.

### Roses: choosing the best / RHS Gardening

If you've been afraid to start a rose garden, the truth is, roses are no more difficult to care for than other flowering shrubs. Follow these ten essential rules to learn how to grow roses: 1. Start with the roots. You can purchase roses already potted in soil or as dormant bare-root plants. Each type has its benefits:

### Caring for Roses: A Beginner's Rose Growing Guide | Garden ...

Although often cited as the UK's most loved garden flower, the rose has a wrong reputation for being difficult to cultivate. However, by choosing the proven varieties, and thanks to major advances in the breeding of rose bushes over the last two decades, new cultivars have been developed that are not only repeat-flowering from May onwards but also resistant to many of the common diseases that used to affect them.
