The last place Christopher Jacobs, aka X, thought he'd find himself was behind bars. Ten years later, the boy he used to be is gone. In his place is the shell of a man with murder under his belt. Any emotion he once had was left under the gavel when he was given life in prison. That is until the new nurse in the infirmary joins the block. Putting your hands on a prison employee will get you the hole, but some things are worth their punishment, and something tells him Lyla will be worth more than he bargained for. Lyla Evans isn't sure about her new job at a maximum security prison, but showing uncertainty and weakness isn't an option. Taking care of murders and rapist isn't ideal, but survival is key. She's warned ahead of time about a prisoner named X, but when she's attacked, it's the dangerous X that saves her. Fraternizing with the prisoners is forbidden, but sometimes the most forbidden things are the sweetest.**WARNING** This book is NOT for the faint of heart. If you have issues reading about abuse (physical or mental) then please DO NOT read this book. 18+ for sexual content, language, and violence.*HOLY MOTHER OF ALL THINGS HOLY! What on earth did Tabatha do to my heart?! She ripped it out, stomped all over it, and shoved the broken thing back in... and I loved every minute of it. I think.* -Heather, Give Me Books"I just cannot put into words how much I loved Slammer!!!! Be prepared for a ride of a lifetime with X and Lyla!" - Kara, Give Me Books"A haunting, unconventional love story I will never forget." -Ella James, USA TODAY bestselling author of Sltoh"If you're looking for a mushy sweet romance, this is not the book for you. If you want to read something that is unlike anything else out there and that will surprise you and leave you in complete shock, then READ THIS BOOK. Without a doubt the best book I've read in a long time. It's dark, twisted, violent, but it's unique and shocking and unpredictable." - Author Amy McClung"I hope you're ready for the best mind fuck of your life, because this book is going to give it to you and give it good!" - Michele, Devilishly Delicious Book Reviews

The Best-Selling Series That Rocketed David Drake to Military Science Fiction Stardom. The First of Three Volumes Collecting the Complete Series. With a veteran's eye for the harsh and gritty details of war, David Drake depicts a futuristic analog of tank combat in his Hammer's Slammers fiction. The Slammers are neither cartoon heroes nor propaganda villains; rather they are competent professionals engaged in a deadly business. The inevitable conflicts between policy, necessity, and human nature make Drake's Slammers fiction instantly identifiable and utterly compelling. This is the first of a three volume set presenting for the first time the entire genre-defining Slammers series in a uniform trade paperback set, with new introductions by major SF figures and new afterwords by David Drake. Each volume will also include a Slammers story not collected in previous Slammer's books. *Fans of Drake's edgy stories of a mercenary tank regiment in a future not all that different from our present will rejoice [at the publication of] the entire series in three volumes. Drake, a Vietnam vet who served in the Blackhorse Regiment, uses prose as cold and hard as the metal alloy of a tank to portray the men and women of Hammer's Regiment. . . . In his depiction of combat, Drake rivals Crane and Remarque." -Publishers Weekly, reviewing the Night Shade hardcover edition

Leaving the Terran Empire's POW camp, they thought they found their way home. Home, however, is taking a different route than these cyborgs expect. Most Wanted Alien Brides Book 1 When the Intergalactic Dating Agency mistakes a prison ship for their new clients looking for mates, cyborg Kolvin jumps at the opportunity. A new life, with the bonus of a ready-made wife? How can this go badly? But when Kolvin meets his mate, she winds up not being what he expects. She drives him crazy. She's not even from his dimension. His Craving, however, wants what it wants, and he finds himself at the mercy of it. Tina Craigie, an astronomer from Earth, is pretty sure she's dead. After all, one does not walk through an arch and wind up in another dimension. Especially not in one where a giant cyborg humanoid wants her as a mate. When she discovers that he's traumatized from being held prisoner of war, she can't bring herself to abandon him. She has thirty days to accept this giant cyborg as her mate, PTSD and all, or return to her dimension and Earth, as if she'd never left. And never see, or remember, him again. Will she be able to give up everything for her cyborg mate?

A novel of prison life, seeking to lift curtains on acts and emotions one wishes had never been imagined. It is the story of four men caught in the life of a large South Carolina prison, a state penitentiary headed inexorably toward a bloody riot.

Gangs rule Cantilucca. Two syndicates dominate the planet. Guns are the only law. Both sides are arming for a bloody showdown that can only end with a handful of survivors sitting for subsistence in the ruins of what could be a rich world. Then the survey team arrives . . . David Drake introduces a new kind of Hammer's Slammer. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Planet Slammer: EEP was a bounty hunter for the colony planets, but she knew too much, so the government framed her. Now a "criminal" herself, she's being sent to Planet Y, the prison planet, where every evil man, woman, and mutant she ever put away is waiting for her on this... PLANET SLAMMER!!!! After escaping the clutches of the evil Sea-King, EEP and her new friends, Ivy, the Nameless U-Warrior, and Captain Va'Leox, had fled into the caves below the surface of Planet Y. But it turns out that the Sea-King is a bigger threat than they had anticipated. Now it's up to them to battle for the future of the Planet that they reluctantly call home! Don't miss this thrilling fourth installment of PLANET SLAMMER!

A finely observed and lovingly detailed portrait of a woman attempting to find a community and understand her own troubled history After spending two decades in jails, psych wards, and halfway houses for her peripheral involvement in a radical students' bombing plot, thirty-six-year-old Carol Smith winds up squatting in a tattered space in Spanish Harlem. She spends the majority of her vagrant days socializing with her homeless neighbors, arguing with a testy social worker, and wandering the streets with Alphonse, a wayward South African wino and self-professed actor. Alphonse proves to be an inspiring force, and soon Carol is weaning herself off antidepressants as the sifting of her memories--mostly of her upbringing by two aunts in Massachusetts--creates a chance for redemption.

From rural cultures and backwater planets Colonel Alois Hammer recruits a group of men and women who become the toughest, most volatile, and most efficient band of mercenaries in the universe
