The Android's Dream is a 2006 science fiction novel by American writer John Scalzi. The title is a reference to Philip K. Dick 's Do Androids Dream of Electric Sheep?

The Android's Dream - Wikipedia

The Android's Dream: More like The Fifth Element than Bladerunner Originally published at Fantasy Literature The Android's Dream (2006) is one of John Scalzi's earlier books, and a stand-alone rather than part of a series, so I couldn't resist given the obvious Philip K. Dick reference in the title. I decided to go into this one without knowing anything about the plot or reading any reviews at all.

The Android's Dream: Amazon.co.uk: John Scalzi ...

"The Android's Dream reads something like an SFnal James Bond spoof by way of South Park. Scalzi isn't exploring anything particularly deep thematically here; the name of the game is satire, and he does some of the most spot-on political wit this side of the old British sitcom Yes, Minister... [it's] just the right gene-splicing of fast action and furious comedy SF has been needing for ages."

I agree with some critics that claim John Scalzi borrows some of his content from other great writers. Nonetheless, he does give proper homage to history (as in naming the sheep breed Android's Dream). Moreover and more importantly, his writing contains plenty of original thinking. 93 people found this helpful

The Android's Dream by John Scalzi | Audiobook | Audible.com
Summary A human diplomat creates an interstellar incident when he kills an alien diplomat in a most unusual way. To avoid war, Earth's government must find an equally unusual object: A type of sheep ("The Android's Dream"), used in the alien race's coronation ceremony.

The Android's Dream Audiobook | John Scalzi | Audible.co.uk
"The Android's Dream" is a fun book that starts out with, essentially, a "passing gas" joke. With that start, I wasn't quite sure what to expect from it. But, it turns out to be a really well done book. As always, Scalzi's attention to detail (good, consistent physics, with all the technical/structural "i"'s dotted and "t"'s crossed) is excellent.

From New York Times bestseller and Hugo Award-winner John Scalzi, a trade paperback repackage of his wild-and-woolly caper novel of interstellar diplomacy!now with a new cover! A human diplomat creates an interstellar incident when he kills an alien diplomat in a most . . . unusual . . . way. To avoid war, Earth's government must find an equally unusual object: a type of sheep ("The Android's Dream"), used in the alien race's coronation ceremony.

The Android's Dream by John Scalzi, Paperback | Barnes ...
John Scalzi has a dark sense of humour and a sarcastic bent that comes out in his wise cracking characters. Inside his characters have grit and poise but the outside version we see in his stories is anything but sarcastic, cocky, irreverent and side splitting funny. Humanity and the alien Nidu are at peace. At least on the outside.

The Android's Dream: Amazon.ca: Scalzi, John: Books
The Android's Dream AudioBook Summary. A human diplomat creates an interstellar incident when he kills an alien diplomat in a most unusual way. To avoid war, Earth's government must find an equally unusual object: A type of sheep (The Android's Dream!), used in the alien race's coronation ceremony.
