Brimming with practical exercises and advice, this book is essential reading for millennial career changers and anyone passionate about getting unstuck, pursuing work that matters, and changing the world.

Revenge, rejection, resilience and revival: they're all represented in this collection of fourteen short stories from author Pauline Wiles. Ranging in length from just 99 words to long-enough-for-a-second-cup-of-tea, these stories feature locations from Switzerland to Seattle and the popular fictional English village of Saffron Sweeting in between. Some are light, several are quirky and one or two a little on the darker side. They explore the meaning of family, the search for true love, and the overwhelming importance of home.

Kate Andretti is married to the Mob, but she doesn't know it. When her husband uproots them to Italy, Kate leaves everything she knows behind. Alone in a foreign land, she finds herself locked in a battle for her life against a husband and a family that will "silence" her if she will not do as they wish. When her husband tries to kill her, she accepts the protection offered by a wealthy businessman with Mafia ties.

Seventy years ago Joe Rubinstein walked out of a Nazi concentration camp. Until now, his story has been hidden from the world. Shortly before dawn on a frigid morning in Radom, Poland, German soldiers forced twenty-one year-old Icek "Joe" Rubinsztejn onto a crowded, open-air truck. The next day, several around him were dead. From there, things got worse for young Joe--much worse. Joe arrived at Auschwitz on April 30, 1942. Only now, in his nineties, has he revealed how he survived several of the most notorious concentration camps when so many others perished. His is a remarkable narrative--a unique story of endurance and courage. Barefooted when he was seized by the Nazis, Joe became one of New York's leading shoe designers--working with companies whose shoes were sought after by First Ladies and movie stars alike. Joe's story bears witness to the ultimate triumph of the human spirit. While the Nazis took everything else, they were unable to take his unassailable joy. Joe's story is one of discovering light in the darkest of places, an inspiration for us all.

AMAZON BREAKTHROUGH NOVEL AWARD QUARTER FINALIST 2011 Have you ever wondered what it would be like to walk through life in someone else's shoes? Strong-willed tomboy Harley LeBeau puts you in the boots her mother gave her, as she takes you along her journey of escape from an abusive childhood and the desire to find herself as she comes of age. Made to feel a burden to her father simply by her gender, Harley is determined to prove her worth and independence, leaving the small town she grew up in and the one boy who gave her a soft place to fall, Jeremiah Johnson. Torn between saving herself and abandoning her mother and younger sister, Harley chooses her own life in hopes they will choose theirs, too. A mature, candid read for everyone. A must for women. The Boots My Mother Gave Me explores the dynamics of abuse and dysfunction, the courage to overcome, the strength in sisterhood, and the ongoing conflict and unconditional love between mothers and daughters. Climb into Charlene the Chevelle for a fast-paced story about a girl who is tough enough to survive and tender enough to learn to trust in love. www.brooklyn-james.com

The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why

some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. " Some of the key concepts discerned in the study, " comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people. " Perhaps, but who can afford to ignore these findings?

Finalist, 2014 Maggie Awards for Excellence Semi-finalist, Kindle Book Review 's 2014 Best Kindle Book Awards "Redemption knocks it out of the PARK!!! This is the novel I was waiting for!!! I bugged, harassed (in the most loving way), prodded, messaged, emailed and generally made a pest of myself for MONTHS until Dana got this novel done; and get it done she did. WOW I was blown out of the water on this one." - Steph's Book Retreat blog, 5 stars "This series is awesome!!! If this series was ever made into a movie it would put the Godfather to shame! I am always pulled into the lives that Dana creates in her books. Heart beating so fast it is like I am part of the story line!!! If you are looking for fantastic writing style and being pulled into a story this is it!! I VERY HIGHLY RECOMMEND THIS BOOK. I WANT TO GIVE IT MORE THAN 5 STARS." -- Julie's Book Reviews blog, 5 stars "When I compare the quality of the writing, the complexity of the plot and the development of the characters in this series to other books I have awarded 4 or even 4.5 stars to, this one is clearly worthy of a much higher rating than many of them. Not only do I look forward to reading more in the series I am also really excited and can hardly wait." - Lindsay and Jane's Views and Reviews blog, 5 stars ANTONIO LEGATO I 've finally earned my place in the Lucchesi family. Me, the orphan, the outsider, the blond-haired, blue-eyed boy who doesn 't really belong. I 've fought hard to get where I am, and I love Enrico Lucchesi like a father. I would never betray him. But when the girl who broke me, Bianca Lucchesi, comes back into my life, my traitorous heart has other ideas. Dangerous ideas. Ideas that could tear the Lucchesi family apart. Especially if Bianca ever learns the role I played in her father 's death. BIANCA LUCCHESI I 'm too young to have this many regrets. Years ago, I ripped out the heart of the boy I loved, all so I could keep an awful secret that 's tearing me apart, day by day. I 've lied to everyone. Most of all, to myself. And I want to stop. But I can 't. My brother knows what I 've done, and he 's holding it over my head. He wants me to help him destroy Antonio Legato, the usurper who 's taken my brother 's rightful place in the family. I don 't want to hurt Antonio again. I don 't. But I 'm going to. And he can never learn why. ***** CONTENT WARNING: Redemption is a dark Mafia romance that contains graphic language, sexual situations, and violence. Charlize 'Charlie' McCloud, young widow and mother, is seemingly content with her secluded life on a sprawling Texas ranch. Her moonlit horseback rides provide the perfect dreamscape to obsessively reminisce about her college sweetheart-her first and final love-Cash McCloud. When intern Hunter Bowie arrives on her ranch to work for the summer, his engaging persona threatens Charlie's treasured reliving. Her interest in moving on as departed as her late husband, Hunter's youthful exuberance and guitar revives dreams she once laid to rest. Hunter's presence stirs up everyone around the ranch, including her late husband's older brother, Cage McCloud. A near replica of Cash, Cage's very existence is a painstaking reminder of how much she has lost. Unintentionally revealing the truth about Cash's death, Cage sets off a firestorm of emotions, ultimately propelling Charlie to face her future-hopefully one that includes him. Music single to the novel Just Not Ready Yet can be streamed at www.brooklyn-james.com or downloaded from Amazon, iTunes & CDBaby.

Double-finalist (Romantic Suspense and Best First Book) in the 2013 Booksellers' Best Awards Top Pick, 5 Stars from The Romance Reviews (TRR) - "This story truly exceeded my expectations. Revenge is action packed, and when the pace picks up, it does not slow down.... Pick up this book today; it will grab your attention from the beginning. I cannot wait to read the next book." "Here is to a WHOOPING 5 Stars. If I had to describe this book in about 4 words it would be action-packed, sexy, romantic, and adrenaline rushing.... This would make a kick butt movie! There were times when I was fanning myself, sitting on the edge of my seat, and so mad I had to put it down. The steamy scenes were oh so delicious!" -- Bengal Reads blog, 5 stars ENRICO LUCCHESI I do not like to be denied anything I want. And I want Kate Andretti with a fire that burns me to ash. Carlo Andretti wants Kate too... and my fortune, my estate, my empire. Most of all, he wants my death. Just as I want his. The vendetta between our families is old and deep. Only one of us can win, and only one of us can have Kate. Carlo believes that he can take what 's mine, that he can break me and make me crawl. But I 'm Enrico Lucchesi. And a Lucchesi always gets what he wants. KATE ANDRETTI My mother always said my impulsiveness would get me into trouble. She was right. Marrying a man I barely knew, letting him take me to Italy... not my best decisions. Especially when I now know what the " family business " really is. I want out of this life, and I want out of Italy. But the only person willing to help me escape the Andrettis is Enrico Lucchesi. And he wants me to stay in this world that I can 't bear to be part of. The vows these men take talk about " blood and honor. " But I know what this life is: it 's blood and danger. It 's blood and death. And I 'm not ready to be a Mafia don 's wife. ***** CONTENT WARNING: Revenge is a dark Mafia romance that contains graphic language, sexual situations, and violence. You have been warned.
