hill,” said Gail. The train went up, up, up. “The train can sway this way and that way,” said Gail.

The Train Ride - Reading Elephant

Big book. Price £19.99. 9780744554748. Publisher Walker. A child and her mother travel by train from the town to the seaside to visit her grandmother. The repetitive alliterative text has the rhythm of a train rattling over the tracks. The pictures of the passing countryside are clear and cheerful.

The Train Ride, Corebooks

This picture book tells the story of a little girl who goes on a long train journey to visit her grandma by the sea. During the journey she talks about all the things she sees on the way. The story has a clear rhythm echoing the movement and sound of the train. The strongly rhythmic and rhyming text make it a great read aloud and fun to join in with.

A journey on a train provides excitement, nice scenery, and pleasant anticipation. Series developed in conjunction with the internationally acclaimed authority on language and literacy teaching, the Centre for Language in Primary Education.

A journey on a train provides excitement, nice scenery, and pleasant anticipation.

This book takes readers on a tour of what's inside a train. Each car has something to find—things that make loud noises, things in different shapes—and along the way, a little child searches for his missing hat. The back of the book is a running landscape dotted with objects for children to find and count. All Aboard! Let's Ride a Train is a fun, interactive ride from beginning to end.

Author's trip on the Trans-Siberian Railway.

4 starred reviews! "Heartbreaking, hilarious, and life-affirming" (Ami Polonsky, author of Gracefully Grayson and Threads) Rydr is on a train heading east, leaving California, where her gramma can't take care of her anymore, and traveling to Chicago, to live with an unknown relative. She brings with her a backpack, memories both happy and sad,

Get Free The Train Ride Big Book Big Books

and a box containing something very important. As Rydr meets her fellow passengers and learns their stories, her own story begins to emerge. It's one of sadness and heartache, and one Rydr would sometimes like to forget. But as much as Rydr may want to run away from her past, on the train she finds that hope and forgiveness are all around her, and most importantly, within her, if she's willing to look for it. From Publishers Weekly Flying Start author Paul Mosier comes a poignant story about a young girl's travels by train from Los Angeles to Chicago in which she learns along the way that she can find family wherever she is. Perfect for fans of Rebecca Stead and Sharon Creech.

A book for beginning readers, chock-full of vibrant illustrations that tell stories without the use of words, depicting tons of train rides throughout a busy day—from boarding the platform to wandering the aisles, surveying the pretty scenery whizzing by, and more

During the tumultuous year of 2008--when gas prices reached \$4 a gallon, Amtrak set ridership records, and a commuter train collided with a freight train in California--journalist James McCommons spent a year on America's trains, talking to the people who ride and work the rails throughout much of the Amtrak system. Organized around these

rail journeys, *Waiting on a Train* is equal parts travel narrative, personal memoir, and investigative journalism. Readers meet the historians, railroad executives, transportation officials, politicians, government regulators, railroad lobbyists, and passenger-rail advocates who are rallying around a simple question: Why has the greatest railroad nation in the world turned its back on the very form of transportation that made modern life and mobility possible? Distrust of railroads in the nineteenth century, overregulation in the twentieth, and heavy government subsidies for airports and roads have left the country with a skeletal intercity passenger-rail system. Amtrak has endured for decades, and yet failed to prosper owing to a lack of political and financial support and an uneasy relationship with the big, remaining railroads. While riding the rails, McCommons explores how the country may move passenger rail forward in America--and what role government should play in creating and funding mass-transportation systems. Against the backdrop of the nation's stimulus program, he explores what it will take to build high-speed trains and transportation networks, and when the promise of rail will be realized in America.

New York Times bestselling author and artist James Dean brings young readers along on a groovy train ride with Pete the Cat! Pete can't

Get Free The Train Ride Big Book Big Books

wait to visit Grandma, especially because he gets to take a train ride to see her! The conductor gives Pete a tour of the train, and Pete gets to see the engine and honk the horn. Pete even makes new friends and plays games on board. What a cool ride! Pete the Cat's Train Trip is a My First I Can Read Book, which means it's perfect for shared reading with a child. Fans of Pete the Cat will delight as Pete takes the grooviest train trip in this hilarious I Can Read adventure.

Car, car, truck, jeep, have you any fuel? Yes, sir, yes, sir three tanks full. One for the red bus, one for the train, and one for the pilot in her jumbo jet plane. This book is bursting with cars, buses, planes, trains, trucks, diggers--and many more Things That Go. And with a text set to the tune of Baa, Baa, Black Sheep, vehicle-obsessed little ones will never want to put this book down!
