Deneys Reitz was educated at Grey College in Bloemfontein. While in exile in Madagascar, he wrote about his experience of the Second Boer War (1899 – 1902). When it was eventually edited and published in 1929 as Commando: A Boer Journal of the Boer War, it still had the freshness and detail of an account written soon after the war. The account is unique in that he was present at virtually every major event of the war.

The Trilogy of Deneys Reitz: Commando, a Boer Journal of...

The Boer War of 1899 is perhaps a textbook example of dualities in war, and Deneys Reitz ' s brilliantly vivid account: Commando: A Boer Journal of the Boer War embraces and examines these inherent polarities. Despite being published in 1929, it still reads as fresh as if it were published today, working both on the level of a primary account of the Boer War and as a subtle reflection on the nature of the war and its strange dichotomies.

Commando: A Boer Journal Of The Boer War by Deneys Reitz

Deneys Reitz was educated at Grey College in Bloemfontein. While in exile in Madagascar, he wrote about his experience of the Second Boer War (1899 – 1902). When it was eventually edited and published in 1929 as Commando: A Boer Journal of the Boer War, it still had the freshness and detail of an account written soon after the war. The account is unique in that he was present at virtually every major event of the war.

Deneys Reitz | Military Wiki | Fandom

Deneys Reitz (1882—1944), son of Francis William Reitz, was a Boer soldier, South African soldier in the First World War, and politician. While in exile in Madagascar he wrote about his experience of the Boer War, so that, when it was eventually edited and published in 1929 as Commando: A Boer Journal Of The Boer War, it still had the freshness and detail of an account written soon after the war.

Deneys Reitz was 17 when the Anglo-Boer War broke out in 1899. Reitz describes that he had no hatred of the British people, but "as a South African, one had to fight for one's country." Reitz had learned to ride, shoot and swim almost as soon as he could walk, and the skills and endurance he had acquired during those years were to be made full use of during the war. He fought with different Boer Commandos, where each Commando consisted mainly of farmers on horseback, using their own horses and guns.Commando describes the tumult through the eyes of a warrior in the saddle. Reitz was fortunate to be present at nearly every one of the major battles of the war. Commando is a straightforward narrative that describes an extraordinary adventure and brings us a vivid, unforgettable picture of mobile guerrilla warfare, especially later in the war as General Smuts and men like Reitz fought on, braving heat, cold, rain, lack of food, clothing and boots, tiring horses.

A narrative of the author ' s life in exile following the Boer War, his work upon his return to South Africa, and his part in the European war, first in South Africa and later in Europe. " Breathlessly exciting " —The Times Literary Supplement

South African Boer soldier and author Deneys Reitz provided the reader with a vivid account of his service during the Boer War in his two previous volumes, Commando: A Boer Journal of the Boer War (1929) and Trekking On (1933). Here he rounds off his further experiences in this book, first published in 1943, which describes the period in which he visited the Kalahari, Kaokoveld, Congo and Angola. Combined, all three volumes tell the story of his share in the public life of South Africa spanning some 25 years. An unmissable addition to your Deneys Reitz collection!

The Karoo is a vast semi-desert region that extends across parts of the Western and Eastern Cape provinces of South Africa. This environmentally important area is the largest ecosystem in the country and is abundant in wildlife, vegetation, and ancient history. The Plains of Camdeboo is a celebration of this remarkable landscape. At first encounter the Karoo may seem arid, desolate and unforgiving, but to those who know it, it is a land of secret beauty and infinite variety. For generations author Eve Palmer's family have lived on the Karoo farm of Cranemere, situated on the Plains of Camdeboo. This family have battled for decades against this harsh desert; they have had to adapt to it, learning to fear, respect, and ultimately love it. First published in 1966, The Plains of Camdeboo has become a classic in South African literature. Here is a book that is not autobiography, not history, not botanical study, but all of these and more, blending into a uniquely vivid and personal account of life in the Karoo. The animals, the insects, the wealth of fossils, the countless flowers that spring miraculously to life after rain - all are woven into this rich and engaging story.

A fascinating chronicle of the Cold War battle where US and Soviet weapons, as well as Cuban and South African troops, took part in the Angolan Civil War. In the late 1980s, as America prepared to claim its victory in the Cold War over the Soviet Union, a bloody war still raged in Southern Africa, where proxy forces from both sides vied for control of Angola. The socialist Angolan government, stocked with Soviet weapons, had only to wipe out the resistance group UNITA, secretly supplied by the United States, in order to claim sovereignty. But as Angolan forces gained the upper hand, apartheid-era South Africa stepped in to protect its own interests. The white army crossing the border prompted the Angolans to call on their own foreign reinforcements—the army of Communist Cuba. Thus began the epic Battle of Cuito Cuanavale: an odd match-up of South African Boers against Castro ' s armed forces. While South Africa was subject to an arms boycott since 1977, the Cuban and Angolan troops had the latest Soviet weapons. But UNITA had its secret US supply line, and the South Africans knew how to fight. As a case study of ferocious fighting between East and West, The Last Hot Battle of the Cold War unveils a remarkable episode in the endgame of the Cold War—one that is largely unknown to the American public.

Only a dramatic, imaginatively crafted intervention - a massive redistribution programme managed by the private sector, far-reaching policy changes in schooling, housing and health, and better, disciplined governance - will deliver the genuine liberation South Africa's still-poor millions expected from the 1994 settlement. Without it, without the real promise of a free, meritocratic society, South Africa will flounder and fail as corruption, crime, social decay, hopelessness and anger engulf society. This is the compelling thesis of Hlumelo Biko's hard-hitting, thoughtful analysis of South Africa's past, present and future, a sobering assessment of where we stand today, and where we need to go. At once unnervingly candid and inspiring, The Great African Society demolishes the complacent optimism that underpins much soft thinking about South Africa's future and places at the service of public debate practical, achievable objectives for business, government and civil society. South Africa's challenge, the book argues, is to act now to avoid the mounting threat of revolt and decline that would devalue every political and economic achievement of the past decade-and-a-half and leave Nelson Mandela's feted rainbow nation staring decrepitude in the face. No debate from here on about the South African future can be taken seriously without weighing Biko's insights and his warnings. The Great African Society is vividly moral in its intentions, but sober and unsentimental in examining political and economic imperatives. It is guaranteed to make the reader sit up and take stock afresh.

This new kind of dictionary reflects the use of " rhythm rhymes " by rappers, poets, and songwriters of today. Users can look up words to find collections of words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.

'Breathtaking.' Sunday Times 'Exquisite.' The Times 'Beautiful.' Independent 'Powerful.' New York Times An international bestseller and a modern classic, this suspenseful epic of one family's tragic undoing and their remarkable reconstruction has been read, adored and shared by millions around the world. This story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it - from garden seeds to Scripture - is calamitously transformed on African soil. What readers are saying 'This remains one of the most fascinating books I have ever read.' 'I felt every emotion under the sky with this book.' 'Riveting.' 'This novel left a lasting - YEARS LASTING - impression.' 'This is one of those booksthat stands the test of time and is worth rereading.' 'Five epic, no-wonder-this-book-is-so-well-loved stars!

Featuring previously unpublished sources, this 'enjoyable as well as massively impressive' bestseller is a definitive account of the Boer War (Financial Times) The war declared by the Boers on 11 October 1899 gave the British, as Kipling said, 'no end of a lesson'. It proved to be the longest, the costliest, the bloodiest and the most humiliating campaign that Britain fought between 1815 and 1914. Thomas Pakenham's narrative is based on first-hand and largely unpublished sources ranging from the private papers of the leading protagonists to the recollections of survivors from both sides. Mammoth in scope and scholarship, as vivid, fast-moving and breathtakingly compelling as the finest fiction. The Boer War is the definitive account of this extraordinary conflict - a war precipitated by greed and marked by almost inconceivable blundering and brutalities...and whose shattering repercussions can be felt to this very day. 'Not only a magnum opus, it is a conclusive work ... Enjoyable as well as massively impressive' - Financial Times 'This is a wonderful book: brilliantly written ... the reader turns each page with increasing fascination and admiration' -A.J.P. Taylor
